

Cynthia Brunsdon **Sonographer and Mammographer**

Diploma in Diagnostic Radiography,
Graduate Certificate in Breast Imaging,
Certificate of Clinical Proficiency in Mammography,
Certificate of Completion in Clinical Bone Densitometry

Cynthia Brunsdon is an accredited breast sonographer and mammographer.

She has worked in breast imaging since joining Sydney Breast Clinic in 2000 and has a keen interest in women's health.

Prior to this Cynthia has worked in general radiography, in both hospital and private practice.

She is recognised as a Breast Sonographer with the Australian Sonographer Accreditation Registry.
