

## **Carolyn Hummerston** **Sonographer**

Certificate in General Nursing, Post Graduate Diploma  
of Applied Science in Medical Ultrasonography

Carolyn Hummerston is a general sonographer who specialised in breast imaging after joining Sydney Breast Clinic in 1996.

She has always had an interest in women's health, beginning her studies in ultrasound working in a specialist obstetrics and gynaecology ultrasound practice for eight and half years.

With experience in vascular ultrasound Carolyn practised at Royal North Shore Hospital, and over the last five years has also worked as a sonographer in the treatment of infertility.

She is registered with the Australian Sonographer Accreditation Registry as an Accredited Medical Sonographer.
